

Sonnotek Bio

Sonnotek is a young artist of 28 year from the South of France. She's been hanging out at free parties for several years but it's since 2003 that she's taken a deep interest in composing her own tracks thanks to her boyfriend's hardware and knowledge. Using Computer aided music, particular Ableton Live, she rapidly becomes hooked of "click ... and kick"! From initial minimalist happytek compositions, she's known how to make her style evolve into aggressive hardtek, with heavy kicks, catchy melodies and distorted rhythms.

Spotted by AstrofoniK Records, She brings out her 1st Ep (astrogirl) in June, 2008. You can find her henceforth on numerous European stages.

Lately she is mostly producing with her husband and artistic partner Noar and their musical partner Adrenokrome. Their style can typed as frenchore related sound and you can find their productions on Homicida label.
